PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1. INTRODUCTION

The Company had at the Twenty-fourth (24th) AGM held on 25 September 2020, obtained its Shareholders' approval to undertake the share buy-back of up to ten percent (10%) of the total number of issued shares of NTHB. The authority obtained by the Board for the purchase of its own ordinary shares by the Company shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming 25th AGM, unless a renewal of the authority is obtained from Shareholders of NTHB at the AGM.

On 23 July 2021, the Board announced the Company's intention to seek the Shareholders' authorisation for the Proposed Renewal of Share Buy-Back Authority by way of passing ordinary resolution at the forthcoming 25th AGM to be convened on Friday, 24 September 2021.

The purpose of this Statement is to provide you with the relevant details of the Proposed Renewal of Share Buy-Back Authority and to seek your approval on the relevant ordinary resolution pertaining to the Proposed Renewal of Share Buy-Back Authority under one of the agenda items for Special Business to be tabled at the forthcoming 25th AGM of the Company.

The Notice of convening the 25th AGM together with the Proxy Form, Administrative Guides and this Statement, are also made available at the Company's website at <https://www.ntpm.com.my>.

SHAREHOLDERS OF NTHB ARE ADVISED TO READ AND CONSIDER THE CONTENTS OF THIS STATEMENT CAREFULLY BEFORE VOTING ON THE ORDINARY RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY TO BE TABLED AT THE FORTHCOMING AGM.

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

2.1 Details of the Proposed Renewal of Share Buy-Back Authority

The Company proposes to seek the approval from its Shareholders for a renewal of authority to purchase and/or hold from time to time and at any time up to ten percent (10%) of the total number of issued shares of the Company at any point of time subject to compliance with Section 113(5) and 127 of the Act, the Listing Requirements and any prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities. The purchase of the Company's own Shares will be carried out on Bursa Securities through an appointed stockbroker.

As at LPD, the total number of issued Shares of NTHB is 1,123,200,000 Shares (*inclusive of 160,000 Treasury Shares, representing 0.01424501% of the total number of issued Shares of the Company*).

Under the existing Share Buy-Back Authority, the maximum number of Shares which may be purchased and/or held by the Company will be ten percent (10%) of the total number of issued Shares of NTHB, i.e. 112,320,000 Shares, including 160,000 Treasury Shares.

The actual number of Shares to be purchased, the total amount of the funds to be utilised as well as the timing of the Proposed Renewal of Share Buy-Back Authority will be dependent on the market conditions, sentiments at the market of Bursa Securities, availability of the retained profits, the financial resources available to NTHB Group as well as the Bursa Securities' requirement to maintain the necessary shareholding spread.

In addition, the Board will ensure the Company satisfies the solvency test as stated in Section 112(2) of the Act before execution of the Share Buy-Back.

The Proposed Renewal of Share Buy-Back Authority, if renewed, shall be effective upon the passing of the ordinary resolution by the Shareholders at the forthcoming 25th AGM and such authority shall continue to be in force until: -

- (a) the conclusion of the next AGM of the Company following this 25th AGM at which such resolution was passed at which time shall lapse, unless by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to condition; or
- (b) the expiration of the period within which the next AGM of the Company after that date is required by law to be held; or
- (c) the authority is revoked or varied by ordinary resolution passed by the shareholders of the Company in general meeting,

whichever occurs first but shall not prejudice the completion of purchase(s) by the Company of the Shares before the aforesaid expiry date and, made in any event, in accordance with the provisions of the Listing Requirements and any other relevant authorities.

2.2 Funding for the Share Buy-Back

In accordance with the Listing Requirements, the maximum amount of funds to be utilised for any purchase of the Company's own Shares must not exceed the aggregate of the retained earnings of the Company based on the latest audited financial statements and/or the latest unaudited financial statements of the Company (where applicable) available at the time of the purchase(s). Based on the latest audited financial statements of the Company for the FYE 30 April 2021, the retained earnings of the Company was RM23,122,598.

The Proposed Renewal of Share Buy-Back Authority will be financed through NTHB Group's internally generated funds and/or external borrowings, the portion of which to be utilised will depend on the actual number of Shares to be purchased, the price of the Shares and the availability of funds at the time of purchase(s).

In the event the Company purchases its own Shares using external borrowings, the Board shall ensure that the Company has sufficient funds to repay the external borrowings and the repayment would not have any material adverse effect on the cash flow of the Group.

2.3 Status and Treatment of Purchased Shares

The Board may deal with the Purchased Shares in accordance with Section 127 of the Act, in the following manner: -

- (a) to cancel the Purchased Shares;
- (b) to retain the Purchased Shares as Treasury Shares;
- (c) to retain part of the Purchased Shares as Treasury Shares and cancel the remainder;
- (d) to distribute the Treasury Shares as dividends to the Shareholders ("Share Dividends");
- (e) to resell the Treasury Shares on the market of Bursa Securities in accordance with the relevant rules of Bursa Securities;
- (f) to transfer the Treasury Shares, or any of the said Shares for the purposes of or under an employees' share scheme;
- (g) to transfer the Treasury Shares, or any of the said Shares as purchase consideration;
- (h) to cancel the Treasury Shares or any of the said Shares;
- (i) to sell, transfer or otherwise use the Treasury Shares for such other purposes as the Minister may by order prescribe; or
- (j) any other manner as prescribed by the Act, rules, regulations and orders made pursuant to the Act and the Listing Requirements as well as any other relevant authority for the time being in force.

As at the date of this Statement, the Board has yet to make any decision with regard to the treatment of the Purchased Shares and will take into consideration the effects of such treatment on the Group in arriving at its decision. An immediate announcement will be made to Bursa Securities upon each purchase, cancellation and/or resale of Shares pursuant to the Share Buy-Back.

While the Purchased Shares are held as Treasury Shares, the rights attached to them in relation to voting, dividends and participation in any other distribution or otherwise will be suspended. The Treasury Shares shall not be taken into account in calculating the number or percentage of Shares or of a class of Shares in the Company for any purposes including substantial shareholding, take-overs, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on the resolution at a meeting.

2.4 Rationale/Potential Advantages and Disadvantages of Proposed Renewal of Share Buy-Back Authority

The Proposed Renewal of Share Buy-Back Authority, if implemented, will enable the Company to utilise any of its surplus financial resources, which is not immediately required for other uses, to purchase its own Shares from the market. The Share Buy-Back carried out pursuant to the Proposed Renewal of Share Buy-Back Authority is expected to stabilise the supply and demand of NTHB's Shares traded on the Main Market of Bursa Securities and thereby support its fundamental value.

Other things being equal, the Share Buy-Back carried out pursuant to the Proposed Renewal of Share Buy-Back Authority, regardless of whether the Purchased Shares are maintained as Treasury Shares or cancelled, will result in a lower number of NTHB Shares being used for the purposes of computing the EPS. Therefore, the Share Buy-Back will improve the EPS of NTHB, which in turn is expected to have a positive impact on the market price of NTHB.

The Purchased Shares may be held as Treasury Shares and resold on the Main Market of Bursa Securities at a higher price with the intention of realising a potential gain without affecting the total issued shares of the Company. Should any Treasury Shares be distributed as Share Dividends, this would serve to reward the Shareholders of the Company.

The potential advantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its Shareholders are as follows: -

- (a) it will allow the Company to take preventive measures against speculation particularly when its Shares are undervalued which would in turn stabilise the market price of the Shares and hence, enhance investors' confidence;
- (b) it will allow the Company the flexibility in achieving the desired capital structure, in terms of debt and equity composition, and the size of equity;
- (c) when the Shares are bought back by the Company, Shareholders of the Company are likely to enjoy an increase in the value of their investment in the Company as the net earnings per share of the Company and the Group will increase proportionately, all things being equal;
- (d) it will allow the Company to realise potential gains if the Purchased Shares are resold at higher prices without affecting the total issued and paid-up capital of the Company and such proceeds may be subsequently used for investment opportunities arising in the future or as working capital.
- (e) if the Treasury Shares are distributed as Share Dividends, would serve to reward the shareholders of the Company.

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority, if implemented, are as follows: -

- (a) the Proposed Renewal of Share Buy-Back Authority would reduce the financial resources of the Group and may result in the Group foregoing other alternative investment opportunities that may emerge in the future; and
- (b) as the Proposed Renewal of Share Buy-Back Authority can only be made out of retained earnings of the Company, it may result in the reduction of financial resources available for distribution to Shareholders in the immediate future.

The Directors in exercising any decision on the Proposed Renewal of Share Buy-Back Authority will be mindful of the interest of the Company and its Shareholders. The Proposed Renewal of Share Buy-Back Authority will be implemented only after careful consideration of the financial resources of the Company and its resultant impact.

2.5 Public Shareholding Spread

Further to the above, the Board is mindful of the Listing Requirements that the Proposed Renewal of Share Buy-Back Authority must not result in the number of Shares which are in the hands of the public falling below 25% of the issued and paid-up share capital (excluding Treasury Shares) of the Company. As at LPD, the Record of Depositors of NTHB showed that 442,882,672 Shares representing approximately 39.43% of the issued and paid-up share capital were held by 6,462 public shareholders.

The Board undertakes that the Proposed Renewal of Share Buy-Back Authority will be conducted in accordance with the laws and regulations prevailing at the time of the purchase including compliance with the public shareholding spread requirements as stipulated in paragraph 8.02 (1) of the Listing Requirements, and ensuring that the issued share capital of the Company does not fall below the applicable minimum share capital requirements of the Listing Requirements.

The public shareholdings spread of the Company as at LPD and after incorporating the effects of the Proposed Renewal of Share Buy-Back Authority is as follows: -

	As at 30 July 2021	After the Share Buy-Back*
Public shareholding spread	39.43%	32.72%

Notes: -

* Based on the assumptions that: -

- (i) the Proposed Share Buy-Back Authority involves the aggregate purchase and cancellation of 112,320,000 Shares (representing 10% of the total number of issued shares of NTHB as at LPD); and
- (ii) the number of Shares held by the Directors of the Group, the Substantial Shareholders of NTHB and persons connected with them remain unchanged.

2.6 Implication relating to the Code

The Board does not intend to undertake the Share Buy-Back such that it will trigger any obligation to undertake a Mandatory Offer pursuant to the Code. In this respect, the Board will be mindful of the requirement of the Code when implementing the Share Buy-Back.

However, in the event an obligation to undertake a Mandatory Offer is to arise with respect to any parties resulting from the Share Buy-Back, which is an action outside its direct participation, the relevant parties shall make the necessary application to the SC for the waiver from undertaking the Mandatory Offer pursuant to the Code.

In the event the proposed waiver is not granted by the SC, the Company will only proceed with Share Buy-Back to the extent that it will not contravene the limit as provided under the Code.

2.7 Purchase, Resale and Cancellation of the Purchased Shares made in the previous twelve (12) months

As at LPD, NTHB held a total of 160,000 Treasury Shares.

The Company has not made any purchase, resale, cancellation or transfer of Treasury Shares during the last 12 months preceding the LPD.

2.8 Historical Share Prices

The monthly highest and lowest prices as traded on Bursa Securities for the preceding twelve (12) months from August 2020 to July 2021 are as follows: -

3. EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

In the event the Proposed Renewal of Share Buy-Back Authority is implemented in full, the proforma effects on the share capital, earnings, NA, gearings, working capital, dividend and shareholdings of Directors, Substantial Shareholders and persons connected to them are as follows: -

3.1 Share Capital

The Proposed Renewal of Share Buy-Back Authority will have no effect on the issued share capital of the Company if the Purchased Shares are retained as Treasury Shares or re-sold in the open market or distributed to its Shareholders as Share Dividends.

For illustration purposes and assuming ten per centum (10%) of the total number of issued shares of the Company as at LPD are purchased and entirely cancelled, it will result in the reduction of the total number of issued Shares of the Company as shown in the table below:

Share Capital	No. of Shares
Existing number of issued Shares as at LPD	1,123,200,000
Maximum number of Shares that may be purchased pursuant to the Proposed Renewal of Share Buy-Back Authority *	(112,320,000)
Total resultant issued shares	1,010,880,000

Note: -

*Assuming all Purchased Shares are cancelled

3.2 Earnings and EPS

The actual effect of the Share Buy-Back on the EPS of the Group will depend on the purchase prices of the Shares, the number of Shares purchased and the effective finance cost to the Group to finance the purchase of Shares or any loss in interest income to the Group. The effective reduction in the number of ordinary shares of the Company pursuant to the Share Buy-Back will generally, all things being equal, have a positive effect to the EPS of the Group.

Should the Company choose to hold the Purchased Shares as Treasury Shares and resell the Treasury Shares subsequently, the effect on the EPS of the Group will depend on the actual selling price, the number of Treasury Shares resold and the effective gain on resale and any funding cost arising from the exercise.

3.3 NA, Gearing and Working Capital

The NA per Share of the Company and the Group may increase or decrease depending on the purchase price of the Shares to be bought back by the Company in comparison to the NA per Share of NTHB at the time that the shares are purchased.

If the Purchased Shares are cancelled or held as Treasury Shares, the Proposed Renewal of Share Buy-Back Authority will reduce the NA per Share if the purchase price per Share exceeds the NA per Share at the relevant point in time, and vice versa.

If the Treasury Shares are resold on the Main Market of Bursa Securities, the NA per NTHB Share upon the resale would increase if the Company realises a gain from the resale, and vice versa. If the Treasury Shares are distributed as Share Dividends, the NA per Share will decrease by the cost of the Treasury Shares.

The Proposed Renewal of Share Buy-Back Authority is not expected to have any material effect on the Company's gearing.

The Proposed Renewal of Share Buy-Back Authority will reduce the working capital and cash flow of the Group, the quantum of which will depend on the purchase prices of the Shares and the number of Shares purchased.

For Purchased Shares which are kept as Treasury Shares, upon their resale, the working capital and cash flow of the Group will increase upon the receipt of the proceeds of the resale. The quantum of such increase will depend on the actual selling price(s) of Treasury Shares and the number of Treasury Shares resold.

3.4 Dividends

The Proposed Renewal of Share Buy-Back Authority is not expected to have any material impact on the policy of NTHB's Board in recommending future dividends. The actual dividend rate to be declared and paid to its shareholders, will depend on, amongst others, the actual results of the Group, its cash reserves, capital commitment and future funding requirements.

However, the Board will have the option of distributing the Treasury Shares as Share Dividends to the Shareholders.

3.5 SHAREHOLDINGS OF DIRECTORS, SUBSTANTIAL SHAREHOLDERS AND PERSONS CONNECTED TO THEM

The Shares purchased by the Company pursuant to the Proposed Renewal of Share Buy-Back Authority that are retained as Treasury Shares and/or cancelled will result in a proportionate increase in the percentage of shareholdings of the Directors and Substantial Shareholders of the Company.

The effects of the Share Buy-Back on the direct and indirect interests of the Directors and Substantial Shareholders and any person connected with the Directors and/or Substantial Shareholders in the proposed purchase based on the Register of Directors' and Substantial Shareholders' shareholdings of NTHB as at LPD are illustrated as follows: -
